About the Cancer Impact Fund

The Cancer Impact Fund (CIF) is the first early stage impact venture capital fund design to impact cancer by commercializing promising cancer research for preventions, therapies, cures, and enabling technologies. Unlike cancer charities, CIF supporters own a piece of these innovative companies through the Fund...it's truly an opportunity to good and do well. Learn more at www.CancerImpactFund.com.

About the Position

CIF is seeking candidates to join our marketing team. Successful interns may have the opportunity to join CIF as a marketing specialist or marketing coordinator. Interns can expect to work 15-20 hours per week at the CIF office, remotely, and offsite at events and meetings.

Ideal candidates are passionate about our mission, entrepreneurial, and must be able to work independently in an unstructured environment where initiative, creativity, maturity and enthusiasm for learning are highly valued. We are seeking bright, highly motivated individuals with a strong understanding of people, commitment to purpose, and desire to help grow community.

Roles & Responsibilities

Interns will work with CIF's Managing Directors and marketing team on the following:

- Facilitate the marketing and outreach for CIF digital campaigns
- Manage & engage prospective CIF influencers around the Phoenix area
- Evaluate Key Performance Indicators and generate campaign status reports
- Establish relationships with senior level personnel

Qualifications

- Proficiency with standard social media platforms (Facebook, Instagram, Twitter, etc)
- Significant level of maturity and the ability to work as a team and to work independently interfacing with top company executives and senior management.
- Highly organized, with the initiative and ability to work with limited supervision.
- Excellent analytical skills and attention to detail.
- Effective process management abilities.
- Must be enrolled or have completed a relevant undergraduate or graduate degree in business (Marketing, economics, entrepreneurship, MBA, biomedical engineering, communications, etc.)
- Must successfully pass a background check.
- 1-2 years of general part-time or full-time work experience or internships.
- Strong written and oral communication skills
